Defining Us

The Learning College Tour

- In January 2000, the League received a major grant to fund the Learning College Project, a project designed to provide opportunities for intercollegiate collaboration to help community colleges fulfill their commitment to learning-centered education.*

Learn.

Defining Us

The Learning College Tour

- In the early 1990s, community colleges, building on their student-centered and teaching-centered values, began to add learning-centered values to their mission and program statements.*
- "places learning first and provides educational experiences for learners anyway, anyplace, anytime."*
